

# Creating an Account

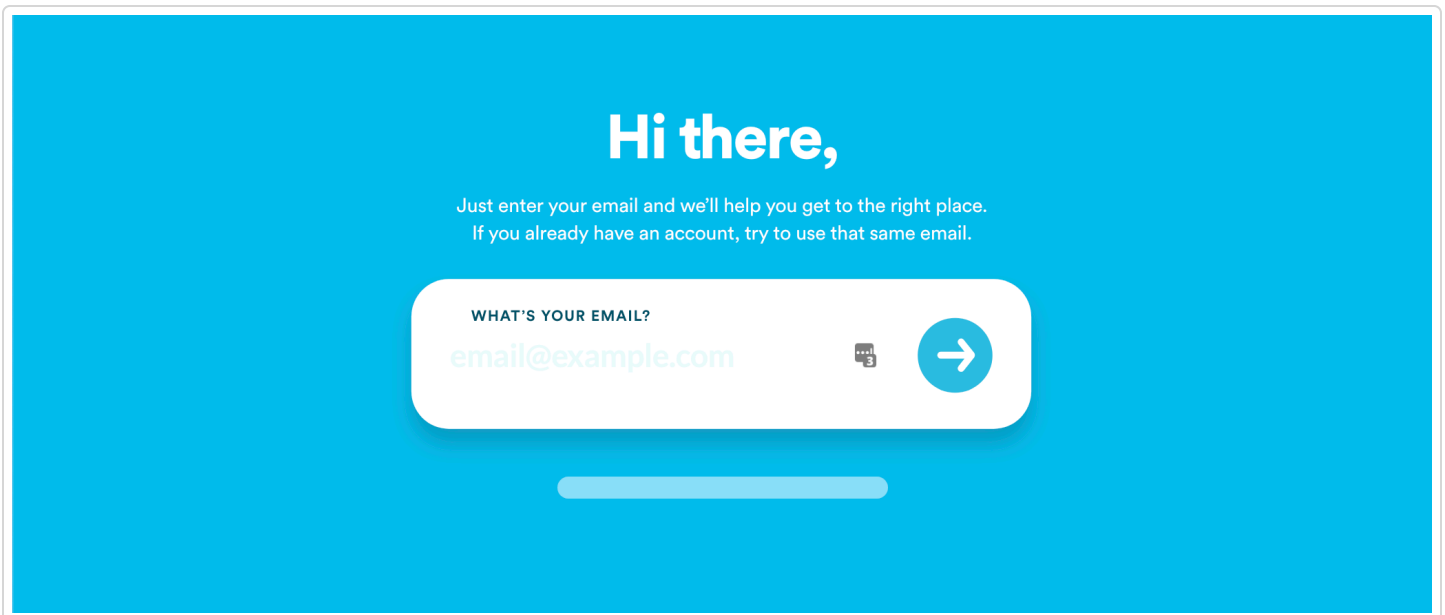

While it's not necessary to create an account to give to your church using RebelGive, creating an account:

- Allows you to view and manage your giving details and records in your Control Center.
- Makes giving in your church's GivingFlow easier by pulling payment method information from your account so you don't need to manually input it every time.

There are a couple of different ways to create an account. Let's walk through each one below!

## Create an account on RebelGive's website

The most streamlined way to create a personal Giver Account is by going to [accounts.rebelgive.com](https://accounts.rebelgive.com) (<https://accounts.rebelgive.com/sign-in>). Once there, enter an email address you want to be your login email. (Don't worry, you can always change this later on.)

Next, enter a secure password.

# Create your account

Simply enter a password for your new RebelGive account,  
and then we'll take you to the Control Center to get things  
set up.

CREATE A PASSWORD

password

And that's it! You'll immediately be taken to your Control Center where you can access your personal Giver Account. If this is your first time logging in, you'll be taken to your Profile Tab (<https://accounts.rebelgive.com/my-account>), where you can input your profile information. (This is extremely important to input for annual tax purposes.) To learn more about managing your profile information, click here (<https://help.rebelgive.com/article/213-manage-your-profile>).

# My Account

My Profile Account Access Email Addresses Payment Methods

## My Profile

This is where you can choose the preferred info for your RebelGive profile.  
This information is visible to any church you donate to.

Drag and drop here (or tap and browse) to add a profile picture for your account.

FIRST NAME MIDDLE LAST NAME

## Create an account within a GivingFlow

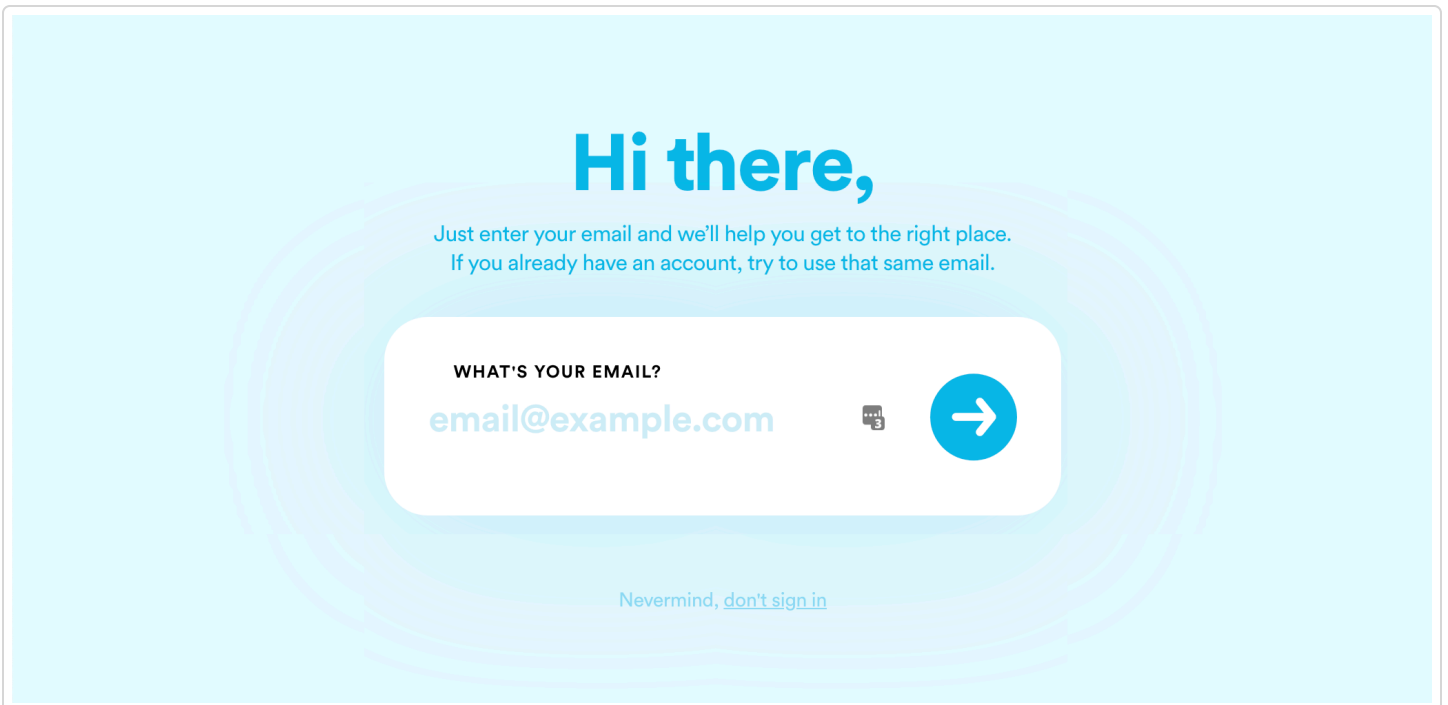

If you'd rather create an account while in a GivingFlow, you can do so at two different stages.

### Option #1

At any point in time in the GivingFlow, you can click the **Sign In** button in the top right corner.

In the same way described above, enter an email address you want to be your login email. (Again, don't worry - you can always change this later on.)

Next, enter a secure password.

# Create account

Simply enter a password for your new RebelGive account and you're ready to start giving!

CREATE A PASSWORD

password

Or, [use different email address](#)

At this point, you'll have two options: Either continue giving in the GivingFlow, or go directly to your personal Giver Account. The choice is yours!

# Welcome!

You're ready to go! Just choose what you want to do, and we'll send you there to get started right away.

Start giving

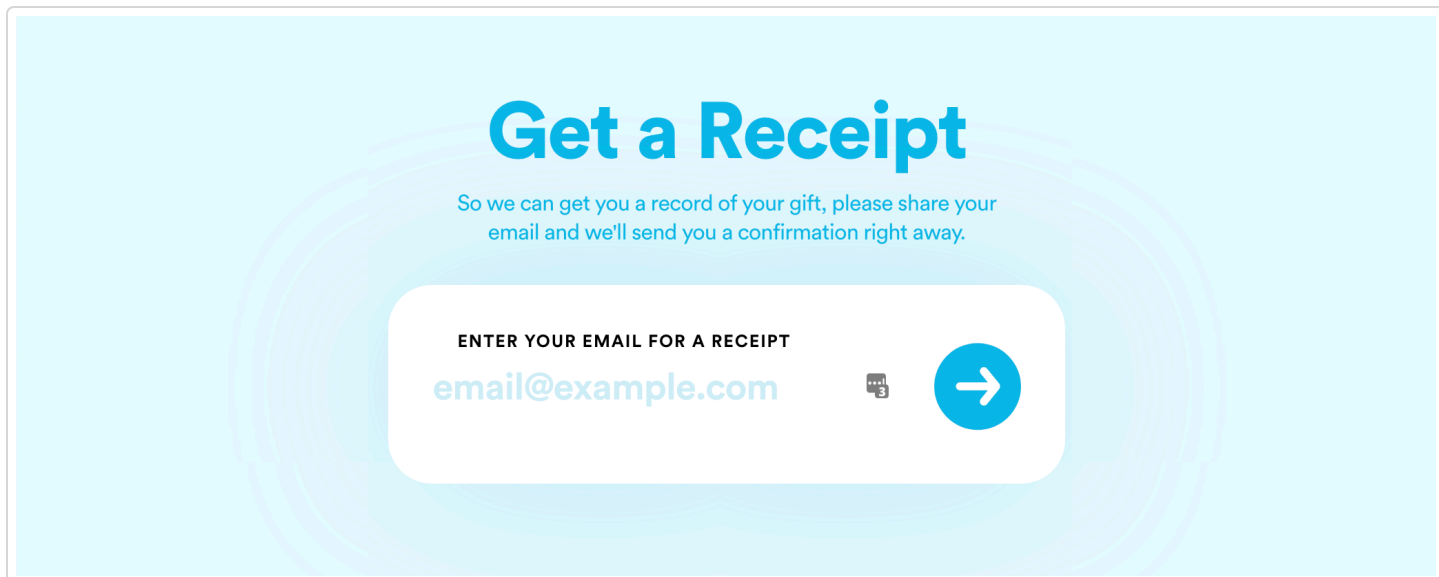

Or, go to my account

If you're on a shared device, you can [sign out](#)

## Option #2

If you choose not to create an account / sign into the GivingFlow before completing your gift, there is another opportunity to create an account.

When you've completed your gift, enter an email address to receive a digital receipt. (This is where you can enter an email address you want to login to your account with. But again, you can always change your login email later.)

**Get a Receipt**

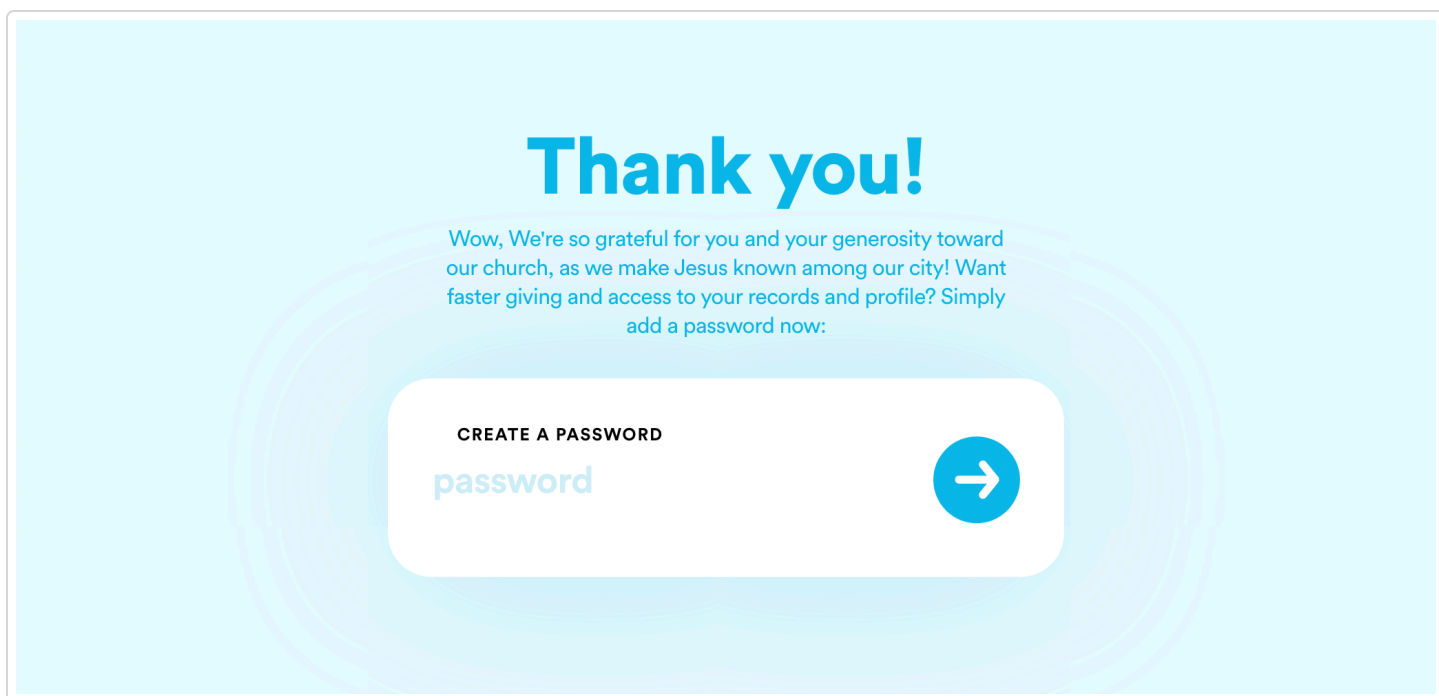

So we can get you a record of your gift, please share your email and we'll send you a confirmation right away.

ENTER YOUR EMAIL FOR A RECEIPT

email@example.com  

This screenshot shows a light blue background with a white rounded rectangular form. The form contains the text 'ENTER YOUR EMAIL FOR A RECEIPT' in all caps, followed by the placeholder email 'email@example.com'. To the right of the email is a small copy icon and a blue circular button with a white right-pointing arrow.

Next, type in a secure password.

**Thank you!**

Wow, We're so grateful for you and your generosity toward our church, as we make Jesus known among our city! Want faster giving and access to your records and profile? Simply add a password now:

CREATE A PASSWORD

password 

This screenshot shows a light blue background with a white rounded rectangular form. The form contains the text 'CREATE A PASSWORD' in all caps, followed by the placeholder password 'password'. To the right of the password is a blue circular button with a white right-pointing arrow.

At this point, you'll have two options: Either give again, or go directly to your personal Giver Account.

# Welcome!

Your gift and payment method have been saved in your new RebelGive account. Now you can easily manage your giving or give again anytime.

[View my giving](#)

[Or, give again](#)

If you're on a shared device, you can [sign out](#)

## Verify your email address

Regardless of how you create an account, it's important to check your email afterwards to verify your email address. Until you do this, you will not be able to see your gifts recorded in your Giver Account, for privacy reasons.

Simply check your inbox for an email from RebelGive entitled **Please verify your email address**. Simply click the **Click to verify** button.

# Verify your email

To keep things secure and make sure your account is protected, please verify your email using the button below

Click to verify

Copyright 2020 — RebelGive, LLC  
www.rebelgive.com

Doing so will take you directly to your Giver Account, specifically your profile tab. If you haven't done so, now is a good time to add in your personal profile details.

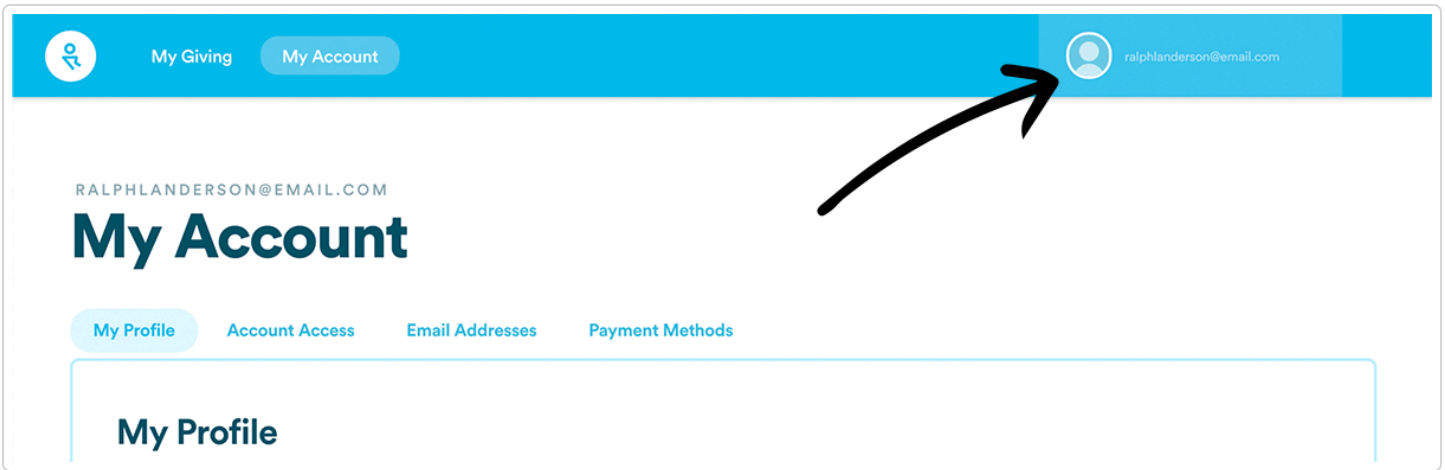

## Log out of your account

If you're using a shared device, don't forget to sign out of either the GivingFlow or the Control Center before leaving.

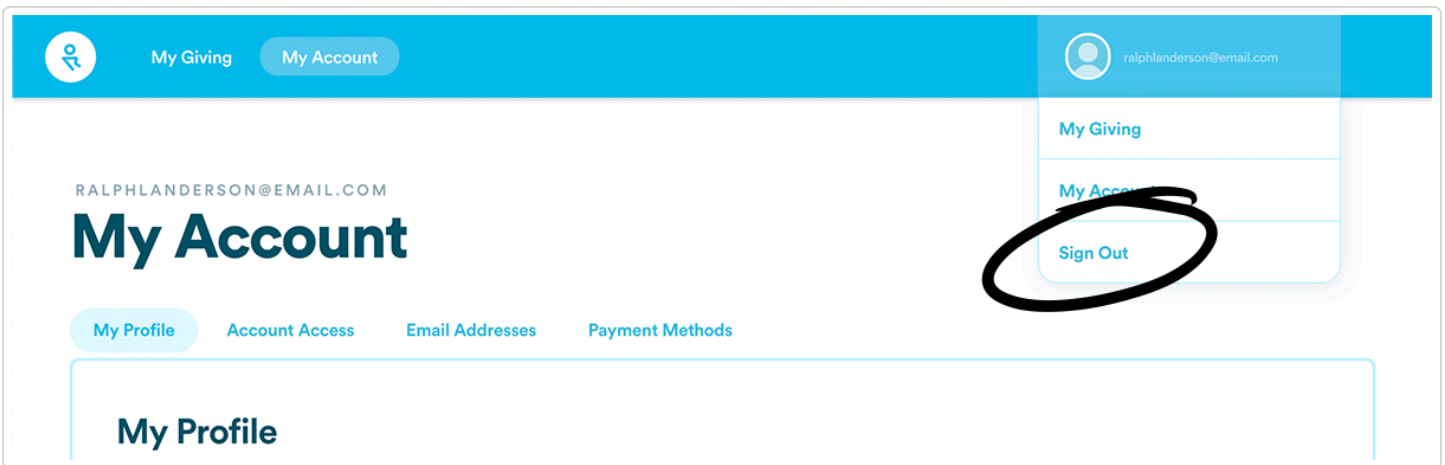

## While in the Control Center

Click on your profile icon in the top right corner.

Click the **Sign Out** option from the dropdown menu.

## While in a GivingFlow

Click on your profile icon in the top right corner.

Click the **sign out** button.

# Hi there,

To manage your giving, profile, payment methods and other settings – head over to your account.

[Go to my account](#)

[Or, back to giving](#)

You're signed in as:
